

## District Court

- **Justin Lee Grinnell**, of New Town, pleaded guilty to a B misdemeanor charge of driving while license privilege is suspended.

- The court dismissed a C felony charge of terrorizing against **Wyatt A. Johnson** (Rolla).

- **Jennifer Jean Mattson**, of Rugby, pleaded guilty to a B misdemeanor charge actual physical control of a vehicle while under the influence of intoxicating liquor. She was ordered to complete a chemical dependency evaluation and recommended treatment; complete 20 hours of community service in lieu of jail time; and pay \$1,025 in fees. She was sentenced to 10 days' confinement at the Heart of America Correctional & Treatment Center with 10 days suspended; and 360 days unsupervised pro-

bation.

- The court dismissed a charge of driving while license privilege is suspended against **Tyrone Richard Poitra** (Rolla).

- **Jacquelyn C. Seaver**, of Rugby, pleaded guilty to a B misdemeanor charge of reckless driving. She was ordered to complete a chemical dependency evaluation and recommended treatment; complete 40 hours of community service; be subject to random drug/alcohol testing upon law enforcement's request; to not enter bars, liquor stores or establishments that primarily serve alcohol; to not use/possess alcohol/illegal controlled substances; and pay \$775 in fees. She was sentenced to 30 days' confinement at HACTC with 30 days suspended; and 360 days unsupervised probation.

## Dakota Recreation Report

By Patricia Stockdill

### Outdoor Notes:

\* Remember to follow North Dakota's ANS regulations, including removing plugs at the boat ramp.

\* Use caution with fire pits and campfires in areas where conditions remain dry.

\* Aug. 14: Tundra swan applications due.

\* Aug. 15: Early Canada goose season opens.

### Tournaments:

\* Aug. 11: Red River, Drayton.

\* Aug. 13: Stump Lake.

\* Aug. 16 & 17: Devils Lake, Grahams Island State Park.

\* Aug. 17: Devils Lake, Creel Bay; Lake Sakakawea, Indian Hills Resort; Lake Sakakawea, Sakakawea, State Park; Lake Sakakawea, Van Hook Arm.

### Fishing:

Devils Lake elevation, Aug. 7: 1,448.58 feet above mean sea level (MSL).

Stump Lake elevation: 1,448.71 MSL.

\* N.D. Game & Fish Dept. game wardens: Look for some activity at Ante-

lope and Clear lakes. Devils Lake spotty for walleye with continued good numbers of small fish. July's high Red River elevations brought good catfish numbers into the river and they're feeding aggressively in the middle of the river and along current breaks. Use heavy weight, at least 4 ounces, to keep bait on the bottom and work an area at least 20 minutes. Try frogs but other presentations also producing at times. East end of Lake Sakakawea spotty for walleye. Van Hook Arm and New Town area remains spotty and inconsistent for walleye.

\* Central N.D. area

lakes, J's Reel & Rod, Martin: Area lakes remain generally quiet with the exception of some scattered walleye success at Antelope and Goose lakes.

\* Devils Lake, Ed's Bait Shop, Devils Lake: Steady walleye success. Try west around Grahams Island or Howard's Bay using slip bobbers and bottom bouncers with leeches. Look for continued white bass activity.

\* Devils Lake, Lakeview Lodge, Devils Lake: Continued walleye success with some larger fish now showing up. Work deeper. Lots of white bass activity and the possibil-

ity of an occasional perch.

\* Devils Lake, West Bay Resort, Minnewaukan: Fair to good small walleye success with most activity along the Minnewaukan Flats. Look for improving success along the bridges for both walleye and white bass.

\* Devils Lake, Woodland Resort, Devils Lake: Continued good for small walleye so move around to locate larger fish. Try spinners and bottom bouncers in 25 feet yet work as shallow as 4 feet. Pike bite slowed.

\* Lake Darling, Karma C-Store, Ruthville: Limited Lake Darling reports.

\* Lake Darling, Upper

Souris Nat'l. Wildlife Refuge, Foxholm: Some fishing activity but no new reports.

\* Lake Metigoshe, Four Seasons, Bottineau: Improving bluegill success with a few larger fish now showing up. Work shallow areas along the weed beds. Look for some evening walleye activity.

\* Lake Sakakawea / Lake Audubon, Cenex Bait & Tackle, Garrison: Fair to good walleye success on the east end of Lake Sakakawea. Work deeper water in the mouth of bays and main lake structure. Try 8 to 12 feet working out to 35 feet with a variety of presentations and bait. Improving salmon success along the east end along the south shore. No Lake Audubon or Missouri River reports.

\* Lake Sakawea / Lake Audubon, 6-Mile Bait & Tackle, Garrison: Continued fair to good walleye success on the east end of Lake Sakakawea. Try live bait working around sunken islands from the Highway 83 embankment to the west. Lake Audubon slowing for walleye but good small-mouth bass. Work gravely, rocky flats in about 8 to 10 feet.

\* Lake Sakakawea, In-

dian Hills Resort, Garrison: Some nice, larger walleye now showing up. Work deep in 20 to 23 feet using spinners and bottom bouncers with night-crawlers or leeches. Move around with no particular location for schooling.

\* North-central/central N.D. lakes, Rugby Hdwe. Hank, Rugby: Area lakes slowed, including less pike activity from Sand Lake. Bruch Lake producing occasional walleye early in the morning hours.

\* North-central/central N.D. lakes, Towner Hdwe. Hank, Towner: Activity remains light and limited on the river and area lakes.

\* Turtle Mtn. area lakes, Coast-2-Coast, Rolla: Area lakes remain slow with light activity. They're also becoming weedy.

### N.D. rivers:

\* Big Coulee, Churchs Ferry: Coulee elevation, 48.85 feet.

\* Deep River, Upham: River stage, 5.81 feet; streamflow, 0 CFS.

\* Little Coulee, Leeds: Coulee elevation, 63.45 feet; streamflow, 4.22 CFS.

\* Mauvais Coulee, Cando: Coulee elevation, 3.62 feet; streamflow, 1.62 CFS.

\* Morrison Lake, Lake elevation, 58.54 feet.

\* Pembina River, Wall-halla: River elevation, 1.77 feet; streamflow, 45.5 CFS.

\* Souris River, Bantry: River stage, 1.83 feet; streamflow, 25.2 CFS.

### Numbers to know:

\* N.D. Game and Fish Dept., main Bismarck office: (701) 328-6300, website: (<http://gf.nd.gov>).

\* N.D. Game and Fish Dept., Devils Lake office: (701) 662-3617.

\* Report All Poachers: (800) 472-2121 or (701) 328-9921.

## Welcome Dr. Radu

Alexandra Radu, DMD, MD

Trinity Health is pleased to welcome oral and maxillofacial surgeon Alexandra Radu, DMD, MD, to our medical staff.

### Specializing in Face, Mouth, and Jaw Surgery.

Dr. Radu offers comprehensive oral and maxillofacial care for the full scope of oral and facial conditions. With doctorate degrees in both dentistry and medicine, her expertise ranges from dental implants and extractions to jaw and facial reconstruction. She earned her Doctor of Medicine in Dentistry from the University of Pennsylvania, where she received honors for her clinical and research work. She completed her medical doctorate at Case Western Reserve University in Cleveland and did her residency in Oral & Maxillofacial Surgery at University of Hospitals Cleveland Medical Center, an adult and pediatric level 1 trauma center.

### Oral/Maxillofacial Services:

- Dentoalveolar surgery for teeth and jaw issues such as extractions and wisdom teeth management
- Corrective jaw surgery
- Dental implants
- Jaw movement disorders
- Facial trauma

Health Center – Plaza 16  
2815 16th Street SW, Minot ND 58701

Total Bills Submitted For 07/01/2019 Meeting:	\$92,532.47
Bills were reviewed by Albrecht and Rheault. There was a motion by Albrecht to approve payment of the bills as presented. Second by Rheault, roll call vote, all voting yes, motion carried. The financials were reviewed by the Council. There was a motion by Albrecht to approve the financials as presented. Second by Melgaard, roll call vote, all voting yes, motion carried. The June Municipal Judge's Report was reviewed and considered. There was a motion by Berg to approve the June Municipal Judge's Report. Second by Albrecht, all voting yes, motion carried. The council considered the JDA Minutes and Financials for May 2019. Elizabeth Heisey, JDA Executive Director, appeared and explained the work on their 2020 budget. Heisey also explained a number of programs that the JDA administrators. She shared a number of statis-	

tics that related to JDA administration of the programs she presented. Heisey explained the housing needs of the community as well. Heisey clarified that the JDA owns the brick and mortar of the Johnson Clinic building. The Johnson Clinic in return pays rent to the JDA. Heisey also covered the history on the JDA's 35% of the City Sales Tax. Heisey elaborated on the Chalmers Addition stating that fourteen lots have been sold, 9 homes have been constructed and 38 lots remain. The lots are sold at market value. She is optimistic that sales tax revenues will increase, despite the loss of Shopko, due to the sales tax collections online. Bednarz questioned the fourteen lots sold in the Chalmers Addition and the 9 homes, wondering if most individuals are buying two lots. His concern is overselling double lots, meaning that property tax revenue will be less in the long run due to fewer homes being constructed. He also questioned the loan that the Johnson Clinic building has and why the JDA purchased it. He then questioned how many years the loan extended. Heisey explained the loan had been paid off by the JDA this spring. She also explained that the Johnson Clinic pays the JDA \$4,700 per month rent. This is to cover the loan payments. Steinke opened the bids received for city property that was advertised in May and left over after the initial bid opening. Luke Dukart bid on the 1988 Ford Truck \$559 and the asphalt machine \$512. Rick Laron bid on the water tank \$150. Rick Laron bid on the tar/asphalt machine \$1,300. Rick Laron bid on the 88 Ford Truck \$650. Troy Munyer bid on the John Deere lawn mower \$200. Bill Hartl bid on the two sickle mowers \$40 for both. There was a motion by Bednarz to accept the bid from Bill Hartl for the two sickle mowers for \$40. Second by Melgaard, roll call vote, all voting yes, motion carried. There was a

motion by Bednarz to accept the bid from Troy Munyer for the John Deere Lawn Mower for \$200. Second by Berg, roll call vote, all voting yes, motion carried. There was a motion by Melgaard to accept the bid from Rick Larson for the 1988 Ford in the amount of \$650. Second by Kraft, roll call vote, all voting yes, motion carried. Steinke questioned if there was a motion to accept a bid for the tar/asphalt machine. Bednarz questioned Troy Munyer if they still used the machine. Munyer explained that the tool to cut the crack they no longer have. The machine could be used, but they haven't used it for a few years. There was a motion by Bednarz to accept the bid for the tar/asphalt machine from Rick Larson for \$1,300. Second by Melgaard. Kraft expressed his concern regarding selling the machine if it is something the city could use in the future. Longie agreed that not selling it at this time is a good idea. There was a motion by Bednarz to rescind the motion to accept the bid for the tar/asphalt machine from Rick Larson for \$1,300. Second by Rheault, all voting yes, motion to rescind the previous motion carried. There was a motion by Kraft to accept the bid from Rick Larson for the water tank in the amount of \$150. Second by Bednarz, roll call vote, all voting yes, motion carried. Application for Local Permit or Charity Local Permit was considered by the council. Attorney Hartl explained the application for the HAMC Auxiliary was in order and could be considered for approval. There was a motion by Berg to approve the HAMC Auxiliary application for local permit. Second by Albrecht, all voting yes, motion carried. Steinke explained information that Gary Lee, City Forester, had received regarding trees along the proposed Hwy 3 project. The city does not have an ordinance specifically dealing with trees in construction areas. The city of Rugby would need to agree to mitigate the trees along the proposed construction project of Hwy 3, by the ND DOT. The infor-

mation regarding the number of trees, types of trees and their locations was presented to all board members. Steinke called for questions. Steinke called for a motion to mitigate or to not mitigate. There was a motion by Albrecht to mitigate the trees along the Hwy 3 proposed project site. Second by Longie, all voting yes, motion carried. Steinke reviewed Ordinance 417 - Water Service with the council. Longie explained that he feels it should state "main to curb stop, city owned, and curb stop to the meter be the homeowner responsibility." Kraft explained that, due to past installations of lines, the city has had no control over how deep or what material was used when putting in water lines. By eliminating the city's responsibility beyond the main, we will not have to be responsible for lines we did not install. The council continued to discuss the pros and cons of ownership of the line. There was a motion by Albrecht to accept the first reading of Ordinance 417-Water Service. Second by Bednarz, all voting yes, motion carried. Steinke reviewed proposed Ordinance 420 - JDA. The ordinance revision is in the last paragraph of the ordinance. This would reduce the JDA's sales tax portion from 35% to 33%, effective January 1, 2020. Kraft explained that he had agreed that 33% should be proposed. After further research he believes that their needs are much greater than he originally thought. He believes that right now is not the best time to reduce the JDA's portion of sales tax. Bednarz agreed with Kraft. Albrecht believes that the JDA needs to sell itself to the public and go after their mill levy. Heisey shared the history on the sales tax and mill levy. Bednarz made the motion to leave the ordinance as is currently. Second by Rheault, all voting yes, motion carried. Committee Reports. Recreation: Chairman Berg explained things are going well with the programs. Bednarz questioned the exhaust fan that is not working at the pool. Munyer explained that Bartsch

Electric is working on it. Finance: Chairman Longie explained that the 2020 budget is consuming their meetings. Ordinance: Chairman Kraft explained that they will be meeting with Liquor/Beer/Wine establishments to continue to work on revising the Liquor/Beer/Wine ordinance on July 17 at 4:00pm. Public Works: Chairman Bednarz explained that Wells 1 & 2 are in need of VFD valves. This will help with the reduction in flow. He also explained that public works will continue to patch the holes on Highway 3. Munyer has spoken to someone from the Highway Department who suggested that we request help with maintaining Highway 3. Buildings/Property: Chairman Berg explained that the new LED lights have been installed at the Armory. The Armory floor will be refinished in July. Berg addressed some leaks on the Armory roof. Steinke questioned Munyer as to the hook ups for the generator at the Armory, etc. Munyer said he has talked to Bartsch and is waiting on an estimate from him. Unfinished Business: Berg questioned Steinke as to if McGuire pays rent or has an agreement with the city to park their vehicles on the west side of Hwy 3. She explained that it was never properly bid out and that it will need to be done correctly before we collect rent monies on it. Bednarz explained he had been involved in the negotiation of the land previously. He did agree it was verbal and had not been bid. He stated they had paid the last eight years. Munyer explained that the frontage road project by First International Bank will begin next week. New Business: none. There being no further business to transact or to come before the Council at this time Albrecht made the motion to adjourn the meeting at 8:38 p.m. Second by Berg, all voting yes, motion carried.

Susan Steinke, Mayor  
Attest: Jennifer Stewart  
(August 10, 2019)
