Dakota Recreation Report

Outdoor Notes:

* Nontribal hunters hunting on nontribal lands within an Indian reservation are required to possess state hunting licenses. Refer to N.D. Game and Fish Dept. hunting guides or website, (gf.nd.gov) for more details.

* Use caution when hunting with muddy road and field conditions. Be prepared to have to walk to set field decoys in many areas and try to get permission even if land is unposted as a courtesy given wet conditions.

* Check U.S. Fish and Wildlife Service waterfowl baiting regulations regarding hunting waterfowl in unharvested or harvested fields.

* Oct. 20: Pronghorn season closes.

* Oct. 26: Mink, muskrat, and weasel trapping seasons open.

Fishing:

Devils Lake elevation, Oct. 16: 1,448.57 feet above mean sea level (MSL).

Stump Lake elevation: 1,448.56 MSL.

* N.D. Game & Fish Dept. game wardens: No reports throughout the region.

* Central N.D. area lakes, J's Reel & Rod, Martin: No new reports.

* Devils Lake, Ed's Bait Shop, Devils Lake: Look for more activity with warmer weather. Try the bridges from shore.

* Devils Lake, Lakeview Lodge, Devils Lake: No activity.

* Devils Lake, West Bay Resort, Minnewaukan: No activity.

* Devils Lake, Woodland Resort, Devils Lake: No new reports since last weekend's storm but look for better fall activity with warming weather.

* Lake Darling, Karma C-Store, Ruthville: Little activity with the recent storm. Look for more activity with warming weather.

* Lake Darling, Upper Souris Nat'l. Wildlife Refuge, Foxholm: No new reports.

* Lake Metigoshe, Four Seasons, Bottineau: No activity.

* Lake Sakakawea/Lake Audubon, Cenex Bait & Tackle, Garrison: Activity shut down due to last weekend's weather.

* Lake Sakakawea/Lake Audubon, 6-Mile Bait & Tackle, Garrison: No reports with little activity.

* Lonetree WMA area lakes, Harvey: No fishing activity. Coal Mine Lake closed until ice-over

* North-central/central N.D. lakes, Rugby Hdwe. Hank, Rugby: No activity.

* North-central/central N.D. lakes, Towner Hdwe. Hank, Towner: No activity.

* Turtle Mtn. area lakes, Coast-2-Coast, Rolla: No reports with weather continuing to limit activity.

Hunting:

*Pheasant: Weekend storm limited opening weekend activity. Be careful with identification with lots of young birds not fully colored. A lot of standing crop yet. Not many birds around the midsection of Lake Sakakawea.

* Waterfowl: Nice duck success for those venturing out around the Rugby area. Try to walk out to set decoys, however. Snow geese starting to move into the northern tier of the N.D. prior to the weekend storm along with some movement around the eastern end and midsection of Lake Sakakawea. Some whitefronts, as well, around the midsection. Lots of local ducks and geese left the Devils Lake area with limited migration yet. Some divers remain, however. A few scattered snow goose flocks around the Towner and Devils Lake area. Good numbers in east-central N.D. but getting around remains difficult. Fair to good numbers scattered around the Valley City area. Snow and muddy conditions limiting hunter's ability to set many field decoys and get around on prairie trails in many areas. First snow geese starting to move into the Williston area, along with mallards.

Numbers to know:

* N.D. Game and Fish Dept., main Bismarck office: (701) 328-6300, website: (http://gf.nd.gov).

* N.D. Game and Fish Dept., Devils Lake office: (701) 662-3617.

* Report All Poachers: (800) 472-2121 or (701) 328-9921.

District Court

- Andrew Hamilton, of Dickinson, pleaded guilty to infraction-level charges of possession of drug paraphernalia and possession of less than half an ounce of marijuana. He was ordered to pay $250 in fees.

- Kraig Allen Kortman, of Rogers City, Mich., pleaded guilty to a B misdemeanor charge of possession of at least half an ounce but less than 500 grams of marijuana. He was ordered to pay $500 in fees, however $250 (a fine ordered) would be suspended under the condition Kortman completes a successful probation. He was placed on unsupervised probation until April 4, 2020.

- The court dismissed a B misdemeanor charge of driving under the influence of alcohol and/or drugs against Audrey Lynn Bowers Nordmark (Rolla).

- Brent James Pavelka, of Devils Lake, pleaded guilty to possession of drug paraphernalia and to possession of less than half an ounce of marijuana. He was ordered to pay $250 in fees.

N.D scholarship essay contest

In spring of 2020, North Dakota Mensa will be awarding a $500 scholarship and the Mensa Foundation will award a $600 scholarship, both to North Dakota residents. These two scholarships are guaranteed to go to North Dakota students. However, Mensa offers a wide variety of specialized scholarships. Last year a North Dakota student was awarded the regional scholarship covering an eight-state Midwest Region, so three North Dakota students won Mensa scholarships. The 2020 Mensa scholarship contest is open to all North Dakota residents who are enrolled in a U.S. college or university in the academic year following the award (Fall 2020). Applicants must write 550-word essays that describe their educational and/or career goals.

Winners are selected based on these essays and Mensa Foundation judging criterion. The Foundation's college scholarship program bases its awards totally on essays written by the applicants. Consideration

News Briefs

Wolford School Board meets

The Wolford Public School board met Tuesday evening to discuss future building maintenance plans.

The board discussed continuing heating the building; alternative heating sources; eliminating groundwater coming into the boiler room before winterizing the building; and getting both boilers operational.

The board will meet again on Tuesday, Oct. 29, at 7 p.m.

— Tribune Staff Report

Anne Krapu-High Plains Reader scholarship applications being accepted

Applications are being accepted for 2020 for the Anne Krapu-High Plains Reader Journalism Scholarship. The deadline for application is Jan. 1, 2020.

The scholarship, according to a press release, supports "young North Dakota residents who have the potential and desire to become journalists."

The scholarship is named for Anne Krapu—who wrote for various outlets in the state and died unexpectedly in 2018—and for the High Plains Reader—an alternative newspaper owned by John Strand and Raul Gomez which celebrated its 25th anniversary in Fargo.

For more information go to https://areafoundation.org/students/fmaf-scholarships/?term=krapu.

According to the press release, the scholarship awarded $2,000 in financial aid and mentoring support in 2019—its first year of operation.

Soybean

continued from Page 3

tures below 110 F.

Reducing Fire Risks When Drying

Hellevang also warns of the risk of fires when drying soybeans. Soybean pods and other trash can accumulate in the dryer and become combustible. To reduce the risk of fires:

* Assure that trash does not accumulate in the dryer.

* Make sure soybeans continue to flow in all sections of the dryer.

* Monitor the dryer continuously.

* Clean the dryer frequently to reduce the potential for debris to combust.

Soybeans at 11 percent moisture have similar storage characteristics as wheat or corn at 13.5 percent moisture, so an allowable storage time chart for cereal grains can be used to estimate allowable storage times for soybeans. For example, soybeans at 18% moisture content would be similar to cereal grains at 20.5 percent moisture, so soybeans would be expected to have an allowable storage time of about 45 days at 50 F. The allowable storage time is reduced to about 20 days at 60 F and extended to about 85 days at 40 F.

Submitted by Yolanda Schmidt, Pierce County NDSU Extension agent.

Football

continued from Page 6

now, we'd be playing against Oakes, because they're the number two seed in their region. If the season ended right now, that's where we'd be."

"But," Risovi added, "we have Bottineau yet, and obviously Oakes has games left too, and that region has to work everything out still."

The Rugby Panthers will square off against the Bottineau Braves this afternoon at 2:00 at Bottineau High School.

Volleyball

continued from Page 6

ing forward to it. It's our last tournament, so they're excited to get down there and play some good teams; just play one more weekend of good volleyball."

Panther stats for the game were:

Kills: Brooke Blessum, 8, Swanson, 4. Aces: Brooke Anderson, 4, Swanson, 4. Blocks: Brooke Blessum, 7, McCabe, 2. Digs: Swanson, 8, Brooke Blessum, 4. Assists: Sarah Blessum, 35, Kiah Gault, 5.

HWC player stats were not available.

Lefse

continued from Page 1

orate the hospital's two sleep study rooms.

Along with lefse, the sale will feature other baked goods.

"We'll have a variety of baked goods. We usually serve pie and coffee at the sale. We make homemade pies," Schaan said. "We'll have butter braid bread, too."

Volunteers returned to the kitchen to keep the potatoes in just the right condition and regular dietary staff made room for them as they went about their mealtime routine.

Dietary Supervisor Kim Kuntz stood near the volunteers and employees, making sure things ran smoothly.

Kuntz said the staff make room for lefse making every year. "We don't mind this at all," she said.

NOTICE OF PUBLIC HEARING

The City of Rugby plans to submit a Community Development Block Grant (CDBG) application to the State of North Dakota, Division of Community Services (DCS). CDBG funds are intended to provide decent housing, suitable living environments, and economic opportunities, principally for very low- and low-income persons through rehabilitation and preservation, economic/job development and public facilities improvements.
The application being considered would request $15,000.00 for the Rugby Comprehensive Land Use Plan Project. It is estimated that approximately 100% of the funds would benefit very low- and low-income persons. Permanent involuntary displacement of neighborhood persons or businesses is not anticipated. Should it later become necessary to consider such displacement, alternatives will be examined to minimize the displacement. If no feasible alternatives exist, required/reasonable benefits will be provided to those displaced to mitigate adverse effects and hardships. Any very low- and low-income housing which is demolished or converted will be replaced.
A public hearing will be held at 7:30 PM on, Monday, November 4 at the Rugby City Hall to obtain citizen views and to respond to proposals and questions related to:
• The Proposed CDBG application for the Rugby Comprehensive Land Use Plan Project,
• Community development and housing needs, including the needs of very low- and low-income persons, as well as other needs in the community that might be addressed through the CDBG program, and
• The performance of the City of Rugby in carrying out its community development responsibilities.
Written comments are also welcome and must be received by November 4 at Rugby City Hall. Oral and written comments will be considered in deciding whether to submit an application for the proposed project. Written summary information will be available at the Souris Basin Planning Council, 1905 2nd St. SE, Rugby, ND on any CDBG application the City of Rugby intends to submit to the state. A copy of the application as submitted to the state will be available for public review at the Souris Basin Planning Council office after November 4.
Information and records regarding City of Rugby's proposed and past use of CDBG funds are available at the Souris Basin Planning Council during regular office hours. Advance notice is requested. Individuals including non-English speaking individuals who require accommodations, including appropriated auxiliary aids, translated documents or interpreters to participate in the public hearing, should contact the Souris Basin Planning Council at 1905 2nd St. SE, Suite 1A, emily@sourisbasin.org, 701-255-1982 or by calling TTY: 800-366-6888, Spanish TTY 800-435-8590- or Relay ND Voice: 800-366-6889.

NOTICE OF OPPORTUNITY TO COMMENT ON RULEMAKING PETITION AND SOLICITATION OF VIEWS ON ADMINISTRATIVE RULES

Relating to Air Emissions From Oil And Gas Production Facilities

ND Dept. of Environmental Quality (DEQ)

is soliciting comments and will hold a public hearing on the rules relating to air emissions from oil and gas production facilities. The hearing will be held at:

DEQ's Environmental Training Center
2639 East Main Avenue
Bismarck, ND
Tues., Nov. 12, 2019
6:00 p.m. CT.

The purpose of soliciting comments and holding a public comment hearing under N.D.C.C. § 28-32-16 is to provide an opportunity for citizens and stakeholders to voice concerns and contribute input on the DEQ's consideration of two related issues: 1) the pending Rulemaking Petition to amend N.D. Admin. Code § 33.1-15-07-02(1) filed by Continental Resources, Inc.; and 2) the DEQ's anticipated adoption of the federal new source performance standards for crude oil and natural gas, 40 C.F.R. Part 60, Subpart OOOO (Quad O) and Subpart OOOOa (Quad Oa). In particular, the DEQ is seeking comments on the following questions:

• How do recent EPA rulemakings involving Quad O and Quad Oa impact DEQ's anticipated adoption of these rules?

• Anticipating that the DEQ adopts Quad O and Quad Oa, should it: 1) amend N.D. Admin. Code § 33.1-15-07-02(1) as requested in the Petition for Rulemaking, 2) amend N.D. Admin. § 33.1-15-07-02(1) in a different way, or 3) not amend N.D. Admin. Code § 33.1-15-07-02(1)?

• If the DEQ decides to undertake rulemaking to both adopt Quad O and Quad Oa and amend N.D. Admin. § 33.1-15-07-02(1), should the DEQ conduct one proceeding, or should it first adopt Quad O and Quad Oa and obtain EPA's approval for implementing those rules before proposing any amendments to N.D. Admin. Code § 33.1-15-07-02(1)?

Any other relevant questions or technical issues may also be addressed at the public hearing.

The Rulemaking Petition and associated documents may be viewed at the DEQ's office at 918 East Divide Ave, Bismarck, ND 58501 or on the DEQ's website at https://deq.nd.gov/AQ/PublicCom.aspx. A copy may be requested by writing to the above address or by calling the North Dakota Department of Environmental Quality at 701-328-5188.

Public participation matters and is essential to developing more effective rules and regulations. The DEQ strives to draft environmental protection rules based on the science and the law, but it also counts on the public and other technical and nontechnical groups to identify flaws and find solutions to reach the optimal outcome of protective, yet reasonable, regulations without unintended consequences. Written comments may be directed to the North Dakota Department of Environmental Quality, Division of Air Quality, 918 E Divide Avenue, Bismarck, ND 58501-1947 or by email to AirQuality@nd.gov.

Make your public comments count. Visit https://deq.nd.gov/PublicCommentTips.aspx for helpful tips about submitting effective public comments.

Written and oral comments received by December 13, 2019, will be fully considered.

If you plan to attend the public hearing and will need special facilities or assistance relating to a disability, please contact the DEQ at the above address or (701) 328-5188 or by email to AirQuality@nd.gov at least seven days prior to the public hearing.

Dated this 11th day of October 2019.
James Semerad, Director
Division of Air Quality
ND Dept. of Environmental Quality

(October 19, 2019)

ATTENTION DEER HUNTERS
The North Dakota Game and Fish Department announces the following replaced section from amendment number one of the 2019 Deer Hunting Proclamation:
14. ADDITIONAL CONCURRENT SEASONS – Additional seasons may be proclaimed for antlerless deer only and will run concurrently with the deer gun, muzzleloader, and deer bow seasons, if the Director determines after the regular lottery that an adequate number of licenses remain unissued. These concurrent season licenses may be used during any open season, provided the unit, sex and species printed on the license is adhered to. Only firearms and archery equipment that are legal during the appropriate season may be used. Person who have not reached the age of fourteen by the end of the calendar year are also eligible for a concurrent season license but these licenses will be issued as archery only.
Clip and Save
For additional hunting information visit our website at gf.nd.gov
A complete 2019 deer hunting proclamation along with amendment number one is available from the North Dakota Game and Fish Department, 100 North Bismarck Expressway, Bismarck, ND 58501-5095. (701) 328-6300.
