(Land is owned by Lonnie Anderson.) Public Hearing scheduled for 7:00 PM on May 21st, 2020 via Teleconference (United States Toll Free): 1 866 899 4679 Access Code: 963-946-1651 regarding a Conditional Use Permit requested by B&J Excavating for a "Borrow Pit" located in NW1/4 of Sec 15-156-73. (Land is owned by Bonnie and Curtis Teigen.) A meeting of the Pierce County Planning and Zoning Board is scheduled to follow the public hearing.

Agent, on Haley Mygland, Administrative Assistant, to be able to work from home. Jessica Tagestad, Wold Engineering, explained to the board that NDDOT was requesting information from all counties about the possibility of additional infrastructure funding. NDDOT had two (2) categories. Category one (1), was projects that would be ready this summer or in fall of 2021 construction, but there is no funding for them. This had to be into NDDOT by 1:00 pm on Thursday, April 2nd. Category two (2) was for projects ready to go for fall 2020 or spring 2021 for construction in 2021. These projects would possibly look at as Phase 4 of a stimulus package. The deadline for this was April 6 at noon. Jessica Tagestad, Wold Engineering, submitted on behalf of Pierce County for Category 2 based on if funding becomes available. The following projects are: CMC 3521-North of Hwy 17/Reshaping and regreaving 10 miles; CMC 3532- (Or-rin) East and West Reshaping and regreaving 9 miles; CMC 3548-Highway #3 west to County line Reshaping and regreaving 13 miles CMC 3536- (Seiz) Reshaping and regreaving 6 miles. The total project cost estimate is \$3.4 million and would consist of 38 miles. Jessica said these projects could be based on Federal Aid Formula with a county match. There is no county commitment on any of the above projects. Information received from Tanya Wieler, HR Consultant, said general guidance is, that staff be allowed to telework, if circumstances make it difficult and/or impossible to work in the office. Yolanda explained that her help would be entering information into an online 4-H program, working on State Pesticide Program, and updating the County's website, and that NDSU Extension is encouraging flexible working arrangements. The focus is on results, not hours. A weekly writing report will be submitted. After visiting with Yolanda Schmidt, NDSU Extension Agent, moved by Christenson and seconded by Berg, that Haley Mygland, Administrative Assistant, will be working from home three days a week and one day she will be in the office. This will be reviewed on a monthly basis by the board of commissioners at their regular business meetings. Motion carried. Mike Graner, Jail Administrator, HACTC, asked the board what the county is doing as a whole on working from home, as he had a request from Justine Fjellanger. The board and Mike Graner, Jail Administrator, HACTC, felt at this time that circumstances are not difficult and/or impossible to work in the office. Mike also asked if the board made any decision on the FCCRA new regulations on which employees would be exempt. As the hour of 9:30 A.M., was past, chairman opened the bids for Clayling and gravel for the 2020 construction season and machine hire. After reviewing the bids for Clayling and Gravel, moved by Hoffert and seconded by Christenson, to accept all bids. Motion carried. After reviewing the bids for machine hire, for the 2020 construction season, moved by Christenson and seconded by Hoffert, to accept all bids. Motion carried. Board reviewed bids received for culverts from TrueNorthSteel and Forterra Concrete Products, Inc. Moved by Christenson and seconded by Berg, to accept all bids for culverts. Berg gave a report on the Community Service Program, where the hours have been extended for offenders to get their community service hours completed. There being no further business to transact, Migler adjourned the meeting at 10:05 A.M.
